

T-TIFFANY

Losing team has to ice skate naked at night

WHAT?! Hold on, Tiffany, we didn't agree to this.

EEEP

LEFT YOURSELF OPEN  
AGAIN, BRITNEY.  
COME ON, KEEET  
UP.

GASP

No  
Way...

WOAH WOAH  
WOAH WOAH

SLIP

SO HELP ME,  
YOU BETTER NOT  
TELL ANYONE  
ABOUT THIS!

at least in art classes  
of (Gina) had color.

At least I can keep  
my clothes on  
the models' frame.

That's enough, you two  
are acting like children.  
Now I want you to  
and focusing a little  
about this.

She knows my  
secret and now she's  
making fun of me  
for it. I kind of  
feel it worse than.

I just wanted  
feedback for the  
saying stuff all night.  
I don't care if there  
is a model.

You don't  
think it's  
worth?

I mean  
it is but  
I don't  
really care.  
I just want  
to hear  
you.

How about  
we finish  
our tea late  
together and  
never have we'll  
get that  
to see.

I think I  
can get through  
this now. I don't  
feel so bad.

AAWWWW  
Everything else  
pretty sweet  
about it!

I guess.  
It is kind of  
hard  
getting  
feel into it.
